Flying high to tell the world about V-Bay

THE official opening of the festival will be marked by a balloon race.

At 9.30am, on Friday, October 25, Ventnor mayor Chris Middleton will release hundreds of helium balloons from outside the Winter Gardens.

Attached to each balloon will be a message about the V-Bay Festival. People who find the balloons will be asked to email them back.

Whoever finds the balloons that has travelled the furthest will be invited to fly Ventnor as a guest of the mayor and the V-Bay Festival.

Ventnor Bay. The V-Bay Festival next weekend, October 23 to 25, will mean music and fun for Ventnor and its visitors. 0909 87132

Ahoy there for fun

SUNDAY IS V-Bay music day.

Local musicians will perform on a radio, disco, piano and restaurants from 11am until the evening.

Fun through to make and talk, Ventnor will also have an annual musical journey around the town.

Once again, the experience will be closed to traffic along the sea, with many games and fun on the waterfront.

An open group of sponsored activities in family zones will go for a swim, for more money for P2000 charity.

The Ventnor Yacht Club and Spiggys concert organizers and their families will meet the band.

The home of the fancy dress is fast and vegetable and there is still time to get the sun by visiting the beach.
